

FLIGHT PATH FLYER PROGRAM

The Flight Path Flyer Program consists of computer-generated applications taught by an instructor. They are carried out using simulators while working in teams. The class meets for 5 consecutive Saturdays and we request students attend all classes. There is a non-refundable direct donation of \$25 payable to: Flight Path Museum on the first day of class. Scholarships are available. Email application to flightpathguides@LAWA.org Or call 424.646.7284.
